Fixed Payment Option

We have changed how a Fixed Payment Option (FPO) fee is charged when you set up a new FPO from 1 October 2021. Any FPO fee will now be charged in the first statement sent to you after your FPO is established and form part of the Minimum Payment Due. As a result of this, it also changes how we apply payments when you have an FPO and how interest is charged on the FPO fee if you don't pay on time. The 'Card Balance' definition also has to be amended. Accordingly, the following amendments are made to the terms and conditions:

Introduction

Current	Replacement
<p>A fee may apply for setting up the FPO (We may call this an FPO fee or other names). If this fee applies, it Drops Out of the FPO (instead it forms part of Your Retail Purchase Balance).</p>	<p>A fee may apply for setting up the FPO (We may call this an FPO fee or other names).
